

## **Calesa Township Sponsors Kimberly's Center 10th Annual 5k Race Against Child Abuse**

**(Ocala, FL, March 16, 2022)** - Calesa Township, a Colen Built Development, is the proud sponsor and host location for Kimberly's Center annual 5k Race Against Child Abuse on Saturday, April 9th, 2022.

This year's 5k marks the 10<sup>th</sup> annual race to raise funds for Kimberly's Center whose mission is to help local Ocala youth overcome abuse and neglect and find healing through treatment and care. The race also provides Kimberly's the forum to inform the community about new services and programs, provide updated stats from the previous year's impact report, and most importantly, drive awareness of child abuse and neglect.

"We are so appreciative to partner with such a philanthropic and family-focused organization such as Colen Built Development," states Kristina Donohue, Development Director of Kimberly's Center. "Offering our participants a sneak-peak of the beautiful new Calesa Township community while raising critical funds to advance our mission of help, hope, and healing for the children in our community is the perfect way to celebrate our milestone 5k this year."

Registration opens at 7 am where race packets and t-shirt pick-ups will be available, with the 5K beginning promptly at 8 am. Runners and walkers will follow a pre-determined route through Calesa Township, located off of 80<sup>th</sup> Ave in SW Ocala. Participants are encouraged to hang around afterward for prizes and awards. Those interested in signing up for the fundraiser still have time to register by visiting [KCRace.com](http://KCRace.com) or calling (352) 873-4739. If you cannot attend the race but still wish to donate, please visit [KimberlysCenter.org](http://KimberlysCenter.org).

**Calesa Township is a master-planned community designed for families of all ages. With a wide array of floor plans suited for any lifestyle, an extensive trail system leading to onsite schools, an aquatic center, and a variety of amenities, it is family living well-planned.**
